Since a thriving Bexley is important to a thriving central Ohio, also keep in mind that your gift contributes to making the greater community better. **At the Bexley Community Foundation, we invest today to create Bexley's tomorrow!**

Jim Gross, Board Chair

The Bexley Community Foundation is your foundation. In just a few short years, together, we have built and earned a strong reputation for funding innovative programs and projects in our community. Together, we will continue to carry out our mission to make Bexley a great place to live, learn, work and play.

In 2015 we are working hard to earn your continued support by investing with our community partners in projects in the arts, community building, economic development, beautification, youth and recreation, lifelong learning, health and wellness, and public safety, which help keep Bexley strong and make it even better.

Together, we can make 2015 a great year for Bexley! Many thanks to you: our donors, grantees and community members, for your continued support and investment in our community. We are excited to continue to achieve our mission and shape our community!

Hallie Raskin, Executive Director

BEXLEY BEAUTIFICATION FUND TREES FOR BEXLEY AND BEXLEY IN BLOOM

The **Bexley Beautification Fund** is a special purpose fund focusing on beautification, tree planting, landscaping and environmental projects and is supported by our “Bexley in Bloom” and “Trees for Bexley” campaigns.

In 2014 the Bexley Beautification Fund continued to plant collaborative roots throughout our community.

Our “Trees for Bexley” program celebrated its 15th birthday in 2014. Happy Birthday, “Trees for Bexley!!!” During the past decade and a half, “Trees for Bexley” has donated or leveraged more than one and a half million dollars to keep our Hometown beautiful and growing.

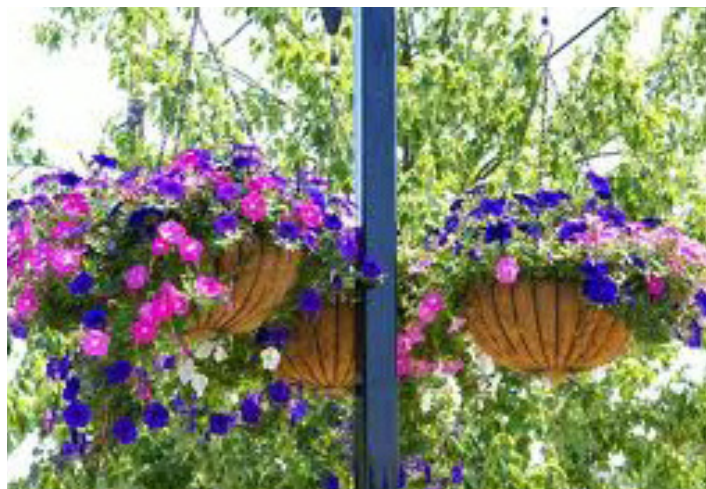

“Trees for Bexley” underwrote the installation of 100 trees throughout the entire City in 2014 to replace diseased and damaged trees. The program also funded treatment of the hornbeams on Drexel as well as the purchase of holiday lighting for the Drexel Circle boxwood.

A special planting of 20 red bud trees was installed in Jeffrey Park along Clifton Avenue thanks to a generous donation. The program is also providing funding for a new Parkview Avenue entryway to Jeffrey mansion which will complement the historic

architecture of the Mansion as well as the new sidewalk installation also funded by the Bexley Community Foundation.

The “Bexley in Bloom” campaign underwrote the cost of flower baskets along Main Street and on the Broad Street and Clifton Avenue bridges. The campaign also funded the planting of 3,000 daffodil bulbs in Drexel Circle.

Flowers, trees, lights, entryways: the goal of the Bexley Beautification Fund is to always improve the landscape of our unique corner of the world.

CORNERSTONE AWARD

In 2011, the Bexley Community Foundation established our **Cornerstone Award** for Philanthropy and Service. The award honors current and former Bexley residents who inspire and challenge us by their examples of exceptional services and giving to Bexley and the greater community. In 2014, we honored **Pelotonia Team Bexley**, rather than an individual. Its past and present members, who come from every one of our neighborhoods, epitomize Bexley's spirit,

energy and vision. In honor of Team Bexley, a gift of \$1,000 was made by the Bexley Wellness Fund of the Bexley Community Foundation.

"Since the inception of Pelotonia, Team Bexley has raised over \$1 million for cancer research at The Ohio State University. Their message is powerful - when Bexley works together as a team on a common goal, we produce amazing results."
